

# GLOBAL ENTREPRENEURSHIP WEEK FW★TX NOVEMBER 7-12

## JOIN US AT THE LEGAL CAFÉ!

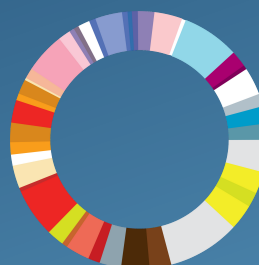

We will be hosting several sessions at The Legal Café, discussing a variety of different hot topics in the legal realm of entrepreneurship!

## WHAT IS GEW?

GEW Fort Worth is part of a concerted effort by GEN Global to have events focused on entrepreneurship one week a year around the globe. During the week each November, speakers, panels, competitions, showcases and networking make up the thousands of events held around the world.

The goal is to inspire millions to engage in entrepreneurial activity while connecting them to potential collaborators, mentors and even investors. Around the globe, 180 countries participate in GEW every year, which results in about 35,000 events that include over 10 million people.
